GENERAL MANAGER
JAMIE WILLIAMS

Dear Valued Members,

The year is now in full swing with the team keen to please with the ongoing refresh of new promotions and food & beverage offerings. Our Chefs are busy refreshing the Brasserie menu to give some new winter warmer offerings just in time for those chilly months ahead. Following the success of the \$11 Signature meals there is also plans to launch two NEW dishes, which are featured in this edition of our What's On Guide. Anzac Day was yet another great success at the Club again this year. The day kicked off at 5:30am with the line up of Rum & Milks in Pier One, Breakfast in the Brassiere, followed by Lunch and Two-Up in the Auditorium. A special thank you to the Advisory Committee & Staff for your help and hard work again this year. 'Note to oneself'do not wear a white shirt next year when serving up Lambs Fry on the buffet line! And last, but not least.... I'm extremely pleased to announce our much anticipated renovations, which will create a new and exciting Club for our Members. We will have storyboards on display in the foyer of the Club, so please ensure you come in and see what we have planned in creating a destination venue of choice.

Thank you all for your ongoing support. Go the Blues!
